

The Kindergarten Restaurant

**BY THE CHILDREN IN THE KINDERGARTEN
ENRICHMENT CLASS AND THEIR TEACHERS,
MRS. BALDWIN AND MS. MUELLER**

DEC. 2010

Project Description

The kindergarten children wanted to create a restaurant in the classroom. With the help of their teachers, they decided what the essential elements would be and got to work...

- Making food
- Creating menus
- Designing placemats and necklaces
- Assigning and practicing roles—hostess, server, bus boy or girl, cashier
- Opening their own classroom restaurant!

Food Preparation

Menu:
Chips and Salsa
Cheese Pizza
Cupcakes

The tables are set...

Hosts/Hostesses

Time to order...

The Wait Staff

Dining

Busboys/Busgirls

Cashiers

In the end...

Learning outcomes included:

- Social--working together to share ideas, make decisions, collaborate, take turns and problem-solve
- Math—sequencing, familiarity w/ money, measurement, counting, patterning
- Literacy—letter writing, letter/sound correspondence, invented spelling, sight word recognition
- Art—drawing, dramatic role play
