- Your positive energy as we, parents, school staff, and children, walk a new path of learning and discovery during the COVID-19 pandemic.

To do's:

- Read all emails and letters that have been sent by HPC
- Look at and read the "Staying Healthy at HPC" slide show with your child.
- Before the first day back, help your child get used to wearing a mask for extended periods of time and being aware of social distancing.
 - If needed, reassure your child that you have been very careful about picking the place that is just right for him/her and you know everything will be okay.
